for
EASTERN DISTRICT OF NORTH CAROLINA
EASTERN DIVISION

U.S.A. vs. Arthur Lamel Batts

Docket No. 4:08-CR-14-1

Petition for Action on Supervised Release

COMES NOW Dennis E. Albertson, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Arthur Lamel Batts, who, upon an earlier plea of guilty to Possession of a Firearm by Felon, in violation of 18 U.S.C. §§ 922(g)(1) and 924, was sentenced by the Honorable Terrence W. Boyle, U.S. District Judge, on August 26, 2008, to the custody of the Bureau of Prisons for a term of 57 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for 36 months under the standard conditions adopted by the court.

Arthur Lamel Batts was released from custody on April 3, 2012, at which time the term of supervised release commenced.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR
CAUSE AS FOLLOWS:**

A random urine specimen obtained from the offender on May 11, 2012, tested positive for marijuana and same was admitted. Batts, who has a history of marijuana use beginning at age 12, stated he used the substance most recently, on April 29, 2012, to temporarily relieve the pressure of being unemployed and unable to support his children financially. Accordingly, it is recommended that a drug aftercare condition be imposed so that Batts may be referred for a substance abuse assessment and treatment as deemed appropriate.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
